Believe, Expect, Succeed

Home School Agreement between parents/carers and school

At Oak View Academy we are committed to developing good relationships between home and school. This agreement recognises our responsibilities to your child. As a parent you are invited to sign the agreement and share its content with your child.

Signing the agreement is voluntary and is welcomed by Academy Directors and staff, but the absence of a signed agreement does not exempt any pupil from complying with the standards expected by the school.

The School Will:

- Provide a **safe**, secure and happy environment
- Encourage children to do their best at all times and aim for high standards of learning
- Encourage children to **respect** others and their environment
- Provide a broad, balanced, and challenging curriculum, including moral and spiritual development
- Inform parents of the children's progress at regular meetings, working with parents in partnership to develop a positive learning environment
- Encourage your child to develop skills and behaviours that are appropriate for lifelong learning

The Family will:

- Ensure that children arrive at school on time (staggered starts)
- Ensure that your child is wearing the correct uniform including shoes and brings the appropriate equipment to school (book bag, reading book, reading log and homework).
- Ensure that children attend regularly, and that a letter/phone call covers all absences
- Attend open evenings to discuss their child's progress
- When possible, attend school and relevant class events
- Support their child's learning by hearing them read and making sure they do their homework each week.
- Encourage children to take increasing responsibility as they progress through school, and support the staff in school with empowering your child's learning experience
- Remind your child about the importance of hand-washing, distancing and respiratory hygiene.

As a pupil I will:

- Be **ready** to learn
- Keep myself and others **safe** in school
- Always try my best
- Be polite and **respectful** to all adults
- Engage with my learning
- Take good care of the school environment by **respecting** it
- Ask if I need help
- Treat everyone I meet with **respect**
- Read with a family member each day

TOGETHER PARENTS, PUPILS AND SCHOOL WILL:

Make our school a happy and vibrant community, where we learn from each other and achieve the most from our learning experiences.
